No Capital Investment Required

ImageDepot™ is delivered as Software as a Service (SaaS) via the Internet and therefore there are no long term software license and maintenance fees, no setup up fees and no hardware to purchase or manage. You simply pay a per document or per GB fee for the time that they want to store and review their documents.

ImageDepot™ Technology Platform

- Microsoft Technology Stack
- Software as a Service (SaaS) delivery model
- Unlimited scalability
- State-of-the-art hosting facility

The New Challenge

Litigation today is increasingly complex. Cases take longer, involve more people, require more information and demand faster access to information. Controlling costs while staying responsive to clients, the court, and opposing counsel, is a constant challenge.

The Right Solutions

Our professionals offer a single source for legal solutions that keeps cases on track and expenses down. From litigation support to information management tools to electronic and print document management services, our comprehensive and integrated suite of services and advanced technology adapts to your needs throughout the litigation process.
